

Regeneration

Stocks Lane Barnsley

Location: Stocks Lane Barnsley
Site Size: 3 Acres
Client: Royston Lead Ltd
Planning Authority: Barnsley MBC
Planning Submitted: June 2008
Approval Received: September 2008

Description: Regeneration of an existing lead factory and former brick works. The site is surrounded by public open space and the proposals for a 60 unit courtyard residential scheme will provide strong open space links through the site, revitalising the local amenity.

Client quote: *"I have found that EAS Ltd provides a comprehensive, efficient and excellent service to clients. From initial site conception, feasibility studies or detailed design you can be confident of a successful project"*
Natasha Rowland, Associate Director,
Savills Planning and Regeneration

Start Date: July 2010
Completion Date: July 2011
Contract value: £3m
